

Exposing The Rotting Stick Of False Restoration - 'Pay No Attention To The Man Behind The Curtain!'

**Jeremiah 1:9** informs us there is a time to, '**root out and to pull down, to destroy and to throw down to build and to plant.**'

Statement of belief encapsulating the writings and vision of Eytz B'ney Yosef:

*"From an historical perspective, we are (1) following in the footsteps of our brother, Judah. Under (2) the leadership of such men as Theodor Herzl and David Ben-Gurion, (3) the term "Zionism" was coined in the late 19th century. These men, among many others, drove the movement that led to the establishment of the modern state of Israel. As Ephraimites, (4) we are seeking to complete their work by bringing back the remainder of God's people who have been sown in the nations. (5) Much can be learned by a careful examination of the history of Zionism and the work done by our brothers in Judah."*

1. Can we call the Ashkenazi Jews our brothers and should we be following in their footsteps?
2. As believers should we look to the leadership of Theodore Herzl and David Ben-Gurion?
3. How does the Zionism of the 19th Century compare to the Zionism of the Scripture?
4. Are we supposed to complete the work of secular Bolshevik Jews?
5. What does a careful examination of the history of Zionism reveal?

1. Can we call the Ashkenazi Jews our brothers and should we be following in their footsteps?

Ashkenazi Jews who believe that their Babylonian Talmud supersedes the Bible in authority, and it says blasphemous things such as:

- "Jesus is in hell, being boiled in "hot excrement." Gittin 57a
- "Jesus's mother was a whore who played the harlot with carpenters." Shabbath 104b
- "Christians are allied with hell, and Christianity is worse than incest." Abodah Zara 17a
- "Just the Jews are humans, the non-Jews are no humans, but cattle." Kerithuth 6b

*Who are the Ashkenazi anyway?*

DNA studies confirm that 97% of people who call themselves Jews, ARE NOT descendants of Abraham.

In 2001, Dr. Ariella Oppenheim (a Jew), a biologist at Hebrew University, published the first extensive study of DNA and the origin of the Jews. Her research found that virtually all the Jews came from Khazar blood.

The newest DNA research science from Dr. Eran Elhaik (a Jew) and his associates at the McKusick-Nathans Institute of Genetic Medicine, Johns Hopkins University School of Medicine, has confirmed that: *The various groups of Jews in the world today DO NOT share a common genetic origin, and their genome is largely Khazar.*

The 1973 Jewish Encyclopedia documents that approximately 90% of the world's so-called Jews are Khazar.

N. Poliak, Professor of Medieval Jewish History at Tel Aviv University, says that the majority of Eastern European Jews are Khazar and Japhetic in origin, not Semitic.

Immigration statistics indicate approximately 90% of the world's so-called or self-styled 'Jews' living in 42 countries of the world are emigrants of Eastern European Khazaria.

Yahusha's words that Jerusalem will be "*trampled by Gentiles*" are confirmed, as 97% of the so-called Jews in Israel are Gentiles because Ashkenaz is a son of Gomer thru Japheth - the Khazars! Not Shemites, son's of Shem at all - Gen.10.

## 2. As believers should we look to the leadership of Theodore Herzl and David Ben-Gurion?

Theodor Herzl: The modern founder of Zionism Theodor Herzl once said:

*"It is essential that the sufferings of Jews. . . become worse. . . this will assist in realization of our plans. . . I have an excellent idea. . . I shall induce anti-semites to liquidate Jewish wealth. . . The anti-semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. The anti-semites shall be our best friends".(The Complete Diaries of Theodor Herzl. Vol. 1, edited by Raphael Patai, translated by Harry Zohn, page 83-84)*

The Israeli Historian Benny Morris described how Herzl foresaw how anti-Semitism could be harnessed for the realization of Zionism. He stated:

*"Herzl regarded Zionism's triumph as inevitable, not only because life in Europe was ever more untenable for Jews, but also because it was in Europe's interests to rid the Jews and relieved of anti-Semitism: The European political establishment would eventually be persuaded to promote Zionism. Herzl recognized that anti-Semitism would be harnessed to his own--Zionist-purposes." (Righteous Victims, p. 21)*

Herzl: *"The wealthy Jews rule the world; the fate of the governments lies in their hands. They start wars between countries, and when they wish, the governments make peace. When the wealthy Jews sing, the nations and their leaders dance along, and meanwhile the Jews get richer!"* (Published by Herzl in a German newspaper)

It was Herzl's Zionists/Bolshevik supporters who declared war on Germany!

"Judea declares War on Germany." (as reported by The Daily Express, March 24, 1934).

Herzl wrote in his diary on page 68: "An idea rose on my heart to bring on anti Semitism and to obliterate Jewish wealth."

**"You shall know them by their fruit."** Herzl wasn't a good father, didn't have a close relationship with his children, or anyone, except his mother (his son Hanz committed suicide). His daughter Polina died from drugs in those years. His daughter, Trudy, went out of her mind. His only grandchild jumped off the Washington bridge, suicide. Nothing is left from Hertzl. His daughters were sent to learn by the Christians, Hertzl was haughty, filthy, hated himself and his Jewishness. This was written by American reporter A.J Powell.

## 2. As believers should we look to the leadership of Theodore Herzl and David Ben-Gurion?

- 
- David Ben Gurion:

*"If I could save all the children of Germany by bringing them to England and only half to Israel, I would choose the second."*

David Ben Gurion was willing to sacrifice millions of children on the altar of Molechian Zionism to found the State of Israel rather than save them from Germany!

*"We must do everything to ensure they (the Palestinian refugees) never do return"*  
David Ben-Gurion, in his diary, 18 July 1948.

In 1918 historians David Ben Gurion (future prime minister) and Itzhak Ben-Zivi (future president) wrote: *'To argue after the conquest of Jerusalem by Titus and the failure of the Bar Kokhba revolt Jews altogether ceased to cultivate the land of Israel is to demonstrate complete ignorance in the history and the contemporary literature of Israel... The Jewish farmer, like any other farmer, was not easily torn from his soil, which had been watered by his sweat and the sweat of his forebears... Despite the repression and suffering, the rural population remains unchanged. The fellahin (farmers) are descendants of the ancient Jews.*

The ancient Jewish peasants converted to Islam for material reasons - to avoid paying the Jahiz – tax, the fact that they clung to the soil that they tilled shows that they remained loyal to their homeland.

Initially the future prime minister and president of the state of Israel were integrationist Zionist thinkers motivated to bring about an ethnocentric future. They believed the two populations had to be reunited. They believed an

inhabitant of Hebron was closer in origin to the ancient Hebrews than the majority across the world that called themselves Ashkenazi Jews.

It was only the massacre in Hebron and the widespread Arab revolt of 1936-39 that took the wind out of the sails of integration back into the fold of Israel. From this moment on the descendants of Jewish peasantry vanishes from the Jewish-Zionist national consciousness. History is revised to: The fellahim are now revised to be Arabian immigrants who came in 19<sup>th</sup> Century to an almost empty land and as the Zionist economy of the 20<sup>th</sup> Century developed it attracted more non-Jewish laborers.

The Romans didn't forcibly deport the Jews from their homeland and there was no voluntary return to it. Only when the borders of the United States, Britain, Babylon and Europe were closed after the Second World War did the Khazar's masquerading as the Jews return to Mandatory Palestine.

The fruit of a man who followed in Ben Gurion's footsteps:

Yitzchak Greenbaum, Zionist Minister of the Interior under Ben Gurion, "*Concerning using communal money to save the Jews* (he's talking about saving the Jews out of WW2 Germany), *no and no and no. Zionism comes first.*"

3. How does the Zionism of the 19th Century compare to the Zionism of the Scriptures?

The birthright is what?.....*The land!*

**Beresheeth 12:1 *Now vuvh had said to Avram, Get out of your country, and from your mishpacha, and from your abba's bayit, to a land that I will show you:***

**Beresheeth15:18 *In the same day vuvh made a brit with Avram, saying, To your zera have I given this land.***

Israel and the Malki-Tzadok priesthood

Judah provided the King/Yahusha and Joseph - the Malki-Tzedik - provides the birthright/Kingdom!

The time of the Malki-Tzedik Joseph is at hand!

***Beresheeth 48:15 Bless the lads (Ephraim and Manasseh); Let my name (Israel) be named upon them.***

**1 Chron.5: 1: "Now the sons of Reuben the firstborn of Israel -- he was indeed the firstborn, but because he defiled his father's bed, his birthright**

**was given to the sons of Joseph, the son of Israel, so that the genealogy is not listed according to the birthright; yet Judah acted insolently (gabar) over his brothers, and from him came a ruler, although the birthright was Joseph's.**"

The Kingdom is given to 10 Israel not Judah!

**1 Kings 11:30-38"Behold, I will tear the kingdom out of the hand of Solomon and will give ten tribes to you (Jeroboam)..... I will take the kingdom out of his son's hand (Solomon's hand) and give it to you -- ten tribes. And to his son I will give one tribe, that My servant David may always have a lamp before Me in Jerusalem, the city which I have chosen for Myself, to put My name there. So I will take you, and you shall reign over all your heart desires, and you shall be king over Israel"**

Judah can't build the Malchut of יהוה!

Biblical prophecy is going to begin to be fulfilled when Judah sees the need to unite with Joseph - Malki-Tzedik and establish Israel, not the other way round! Legally, according to the Torah Judah can't own any land without Joseph! Judah has tried to seize the birthright, the land by force from Joseph, that's why prophecy fails!

The State of Israel denies the existence of the Israelite people, whom they consider simply as the bridgehead to the Jewish people. The State of Israel – biological in origin with fragments of a nationalized occult religion.

The State of Israel is *national (racial)* and compared *internationally*; awakened/Eternal Israel is without nationality but is transnational and without national (racial) comparison - It' trans tribal.

**Yeshayahu 10:20"And it shall come to pass in that day that the remnant of Israel, and such as have escaped of the house of Jacob.**

*The remnant isn't and never will be Judah!*

**" Is.6:13 "the remnant tithes"** is to be harvested to form the leadership of the end-time Malki-Tzedik Priesthood under the overall leadership of Ephraim – hidden in the nations.

Judah can only be called Israel when the tribes are united as one/echad under Joseph - Malki-Tzedik's headship. When the Malchut split, Judah, Benjamin and Levi made *NO attempt* to call themselves Israel.....why? Because they knew they couldn't. So they picked '*Judah*' after the most powerful of the three southern tribes.

The vast majority of Jews today are not descendants of Abraham at all - they're *not Jews!* In other words, most of those who call themselves "Jews" today are, in fact, gentile converts to Judaism from Kharzaria or the Arabian peninsula.

Judaism was a proselytizing religion under the Hasmonean dynasty, there was mass proselytizing and conversion all the way up to the 4<sup>th</sup> Century CE when rabbinical Judaism bowed to the power of Christianity and its non-conversion laws. The Edomite people were an integral part of the Jewish people (Herod) through proselytizing, conversion and assimilation!

The Khazar kingdom was the last kingdom to be converted to Judaism in the 8<sup>th</sup> Century, this is beyond dispute.

Sephardic *Jews*: are primarily descendants of Arabs, Berbers and Europeans that converted to Judaism in the 12<sup>th</sup> Century – the Berbers who took part in the Arab conquests of Spain were Judaizer's.

Eytz banay yoseph want you to believe that the existence of the Israeli State is proof that biblical prophecy has been fulfilled. Their adherents are prophesying timelines and calendars and second coming ideas based upon the incorrect assumption that the State of Israel is Biblical Israel and a misreading of the Book of Ezekiel (part 1 of this teaching) thus affecting prophecy.

Only the Tribes of Joseph - The Malki-Tzedik had the right to the name of Israel forever, not Judah! When the tribes of Joseph return to the land, then biblical prophecy regarding Israel begins to unfold!

***Gilyahnah 2:8 And to the teaching overseer of the Israelite Congregation in Smyrna write; These things says the First and the Last, who was dead, and is alive; I know your mitzvoth, and tribulation, and poverty, but you are rich and I know the blasphemy of them who say they are Yahudim, and are not, but are the synagogue of s.a.tan. Fear none of those things that you shall suffer: see, s.a.tan shall cast some of you into prison, that you may be tried; and you shall have tribulation ten days: be faithful to death, and I will give you the keter chayim***

***Zechariyah 8:23 This says vuvh tzevaoth; In those days it shall come to pass, that ten men shall take hold out of all languages of the nations, even shall take hold of the tzitzit of him that is a Yahudi, saying, We will go with you: for we have heard that Elohim is with you.***

Should a returning non-Jew take hold of a Jew who hasn't experienced the promise of biblically ordained redemption?

Surely the Jew of Zechariyah 8:23 must be one who can lead others to redemption and NOT TORAH study alone? TORAH study alone without redemption is..... mere Jewish Gnosticism – the pursuit of knowledge!

**(Remember the parable of the fig tree Matt 21:20 & 24:32?)**

Many of the Fellahin or so called ‘Palestinians’ are really ‘Jewish’ believers in Yahusha - the so called ‘Palestinian Christians’. It’s time for the Khazar’s to repent and allow the real Judah to stand up claim their land, receive Moshiach and bear fruit.

**(Luka 19:14 & 28)** If a country and its citizens refuse to let Moshiach reign over them then Moshiach says, ***“Those who don’t want me to reign over them, slay them before me.”***

Answer question 4 - a resounding NO!

4. Are we supposed to complete the work of secular Bolshevik Jews?

5. What did our careful examination of the history of Zionism reveal is Etz-bney-yosef actually pushing ‘sacred history’ in place of ‘historical truth?’

*Answer: Etyz B’ney Yosef is pushing ‘sacred history’ and its agenda is exposed and collapses under the weight of ‘historical truth.’*
