

The Migration of Judah

Who are the real Jews today and where do we find them?

- 2 answers to that question.
- 1. The Fellahin - so called Palestinians are the descendants of the poor agricultural Jewish society that stayed in the land of Israel and converted to Islam in the 6th and 7th centuries to avoid paying the Jizya tax and losing their land according to the 1918 historians David Ben Gurion (future Prime Minister) and Itzhak Ben-Zivi (future President).

But what about the affluent, royal Jews that weren't connected to the land; but were engaged in trade and export: Who are they and where did these royal nomadic Jews migrate to?

2. Tracking the migration patterns and thus identifying the royal merchant class of the house of Judah.

- **Cauca-Asians:** are not pure white races but a mixture of Asians that lived on the Russian steppes – '*Asians in the Caucasus Mountains*' Ashkenazi- Khazar's.
- **Ethiopia:** history of Menelick I and Menelick II - descendants of King Solomon. Menelick — from Melech—King.
- Egypt's Pharaoh's were black, not white. Egypt-Mitzrayim-'*burnt face*' (black).
- The ancients referred to their "*country*" as Kemet-KMT, which has been written many different ways: Kemet, Kemit, Khemet, Khem, Al Khem—Khemit. It literally meant "*the Black Land*" – "*Land of the Blacks*"
- How did Moshe go undetected for 40 years in a land of black faces?
- How did Joseph's brothers not recognize him in the land of the black faces if he was a white man?
- Noah called his son Ham in Hebrew Kham - Chet-MemSofet = '*hot*'.
- Khemit and Kham are the same in Hebrew, which represented the coloring of the people of Egyptians. What happens if something remains hot for a long duration of time? It will eventually turn black!
- Ex 2:19 Moshe was described as a Mitzri – '*black face*' from the '*land of the blacks*'. They didn't say a Mitzi-Laban, which would have meant an albino African - like Yaakov's uncle.
- The ancient Egyptians were a Kemetic peoples – '*black!*'
- In 1965 the former president of Egypt, Gamal Abdul Nasser said he couldn't, '*respect the present Jews in Israel because they left Israel' black' and came back 'white!*'

Song of Solomon 1:5

"I am black, but comely, O ye daughters of Jerusalem, as the tents of Kedar, as the curtains of Solomon."

1:5 - "I am black", the Hebrew is "Shachar-ha-anya" literally translates to "I am dark skinned"!

Strong #7838. Shachar, from 7835; dusky, black.

So the word "Shachar" means "dusky".

- The Concise Oxford English Dictionary, Tenth Edition: "dusky" - 'darkish in colour'. 'euphemistic (of a person) black'; 'dark-skinned'.
- Olde English Dictionary: 'tending to blackness'.

Song of Songs 5:11 His head is as the most pure gold, his locks are curly, and as black as raven.

King Solomon was black!

Only blacks have locks, not Cauca-Asian's no matter what Repunzel and Goldilocks may say!

Bath-sheba – 'Bet-Tav-Sheen-Bet-Ayin' – 'daughter of Sheba'.

The black daughter of Sheba, whose line goes back to Sheba the son of Cush who produced the Nilotic black races.

Ber. 10:6 And the sons of Ham; Kush, and Mitzrayim, and Phut, and Kanaan.7 And the sons of Kush; Seba, and Havilah, and Savtah, and Raamah, and Savtecha: and the sons of Raamah; Sheba, and Dedan.

What about His father King David? Wasn't he an Anglo with reddish skin??

1 Sam 17:42 And when the Philistine looked about, and saw David, he disdained him for he was but a youth, ruddy and of fair countenance.

'Ruddy' – 'Admonee' – 'Aleph-Dalet-Mem-Nun-Yod' - reddish black - as in the reddish black soil.

Gen. 4:10 and he said, What have you done? the voice of your brothers Dham cries to me from the ground.

Look at the word play for

'Dham'/'blood'>'Adamah'/'ground'>'Admonee'/'ruddy'/'Mahogany' in color – 'reddish-black'!

Malcolm X was described as 'Mahogany', his nickname was 'red' or 'Detroit Red.'

If King David was an Ashkenazi, white Jew with a reddish complexion he would of been described as 'Laban' - an 'albino'.

The Ethiopian Jews - Falasha's, meaning black.

Zeph 3:10 From beyond the rivers of Ethiopia my worshippers, the daughter of my dispersed ones.....That's the Queen of Sheba and her son's!

Lamentations 4:2 The precious sons of Zion, comparable to fine gold...4:8 their visage is blacker than coal.

• The Concise Oxford English Dictionary, Tenth Edition:
'Visage' - poetic/literary a person's face, with reference to the form of the features. a person's facial expression.

Beresheeth 9:27 Elohim will entice and deceive (Patah) Japheth, and he will dwell in the tents of Shem; and may Canaan be his servant.

יהוה has 'deceived' and 'enticed' /'Patah' Japheth - the Ashkenazi Jews into believing that they're Jew's and have built the Zionist State of Israel, occupying the tents of Shem - the real Shemites!!!!

Shem's not there - the Zionist occupier's.

Job 12:16 the deceived and the deceiver are YHWH's.

Jer 20:7 O יהוה, you've deceived me, and I was deceived.

A Riddle: **Out of the eater came forth meat, and out of the strong came forth sweet!.....What is sweeter than honey? And what is stronger than a lion?**

....And Delilah made Sampson sleep upon her knees; and she called for a man, and she caused him to shave off the seven locks of his head; and she began to afflict him, and his strength went from him..

Samson was the first Rasta, a Negro lion fighter, similar to the African Maasai tribe - Judges 14:5, 16:19.

Sampson tore a lion apart as he would a young goat.....as a Nazarite he wore seven dreadlocks, was Mahogany in body color, like Malcolm X and his visage was blacker than coal - Negro. Lam 4:7, 4:8.

Lamentations 5:10

"Our skin was black like an oven

Job 30:30

"My skin is black upon me, and my bones are burned with heat."

Deuteronomy 28:68 And יהוה shall bring you into Mitzrayim again with ships, 4 the derech of which I said to you, You shall see it no more again: and there you shall be sold to your enemies for slaves and female slaves, and no man shall buy you.

- **A brief history of slavery:** Islam designed infernal slavery, the Ashkenazi-Khazar's marketed it and the Regal Negro Nomads, exiled from the Kingdom of Judah were the main recipients of it at the hands of indigenous black African's, their Islamic masters and the White-Ashkenazi-Khazar-Jewish ship Merchants.

Explain: 4 tiers:

1. Negro nomads exiled from the kingdom of Judah
2. Indigenous black African hunters
3. Islamic trappers
4. Ashkenazi ship merchants (along with many Portuguese, British Ashkenaz)

Just like AlQuada - Isis - Isil - I.S, keep switching the identity to hide the people.
Re-naming your nationalities: 'Negro'>'coloured'>'African-American.'

1. Regal Negro nomadic class, exiled from the kingdom of Judah
 2. Native black African trackers
 3. Islamic trappers; between 650C.E and 1900C.E, 10 to 20 million people were enslaved by Arab slave traders. Over 20 million enslaved Africans were delivered through the trans-Sahara route to the Islamic world.....that's not even touching the Americas! Over 80 million more Blacks died at the hands of Islam en route.
 4. Ashkenazi-Khazar Jewish ship merchants (the Portuguese and the British were the main buyers - Islam and the Ashkenazi were the main sellers.)
 - The Romans are the globalist slavers, *then and now*, they migrated to Gaul - Ashkenazi (the sellers), Britain - the British(the buyers).
 - German Jewry and British Jewry descended upon Wall St. Hollywood and WA DC to fuel the cataclysmic final war of globalism.
- Islam and the Slavic regions: 'Yugoslavia', 'Czechoslovakia', and 'Slovakia'. This is the bestial slavery that eventually arrived on the African continent that blacks were

recipients of. But not only blacks; but Europeans were even kidnapped by Arab and Ashkenazi traders during the war or peace periods in medieval times.

- Real Shemites = Fellahim, the rural farmers found in the land of Israel at the end of the 19th and beginning of the 20th Century - what we call today the Palestinian Christians/Palestinians and other anti-Zionist non-Ashkenazi Torah keeping Jews worldwide like the Yemenite Jew's,
- The Negro nomads exiled from the Kingdom of Judah- African Shemites who were taken away in slave ships (Deut 28:68) by the Synagogue of Satan- the White Ashkenazi Jews in the 17th & 18th Century.
- **Ashkenazi Slaving:** Jewish scholar Jonathan Schorsch, *"Jewish merchants routinely possessed enormous numbers of slaves temporarily before selling them off."* If a slave auction fell on a Jewish holiday it was postponed due to lack of buyers and sellers! The Jews of Surinam gave their slave plantations Hebrew names such as Mac-han-ayim, Nachamu, and Goshen. Rabbi Herbert Bloom adds that the *"slave trade was one of the most important Jewish activities ..."* In 1694, Jews owned 9,000 Africans. Jewish slaving is confirmed in the Jewish Encyclopedia.

Why does American black history exist based solely on the past 400 years beginning in the 17th Cent. With the trans-Atlantic slave trade?

P. 84 From Babylon to Timbuktu by Rudolph R. Windsor:

In the year 65 BCE. The Roman armies under General Pompey captured Jerusalem. In 70CE. General Vespasian and his son, Titus put an end to the Jewish state, with great slaughter. During the period of the military governors of Palestine, many outrages and atrocities were committed against the residue of the people. During the period from Pompey to Julius, it has been estimated that over 1,000,000 Jews fled into Africa, fleeing from Roman persecution and slavery. The slave markets were full of black Jewish slaves.....

P.86 many Jews fled to those parts of northwest Africa known as Tunisia, Algeria, Morocco, and Mauretania. Many other Jews fled to the areas where Rome did not have any jurisdiction, this was to the region of the south, the Sahara Desert and the Sudan.

In the 1930's it was an established fact that a regal class of Negro nomads, exiled from the Kingdom of Judah resided in Songhai, Mali, Ghana and Kanem Bornu empire and within the Ondu forest of Dahomei S. of Timbuktu, communities complete with Aramaic Torah scrolls.

P.90 the black Jews had an advantage over the African tribes: they carried their culture, history, laws, and written records with them; this assured them a constant precedent for the development of a higher social organization. Because of the stability of the black

Jewish culture, the Jews were not absorbed into the autochthonous population. In fact, the Jews absorbed some of the native tribes. The Jews made use of every opportunity; they were an industrious and skillful people: In the Jewish Ghanaian states were found kings, princes, governors, generals, secretaries, treasurers, revenue agents, judges, architects, engineers, doctors, historians, language interpreters, mathematicians, jewelers, sculptors, masons, carpenters, painters of art, goldsmiths, leather-workers, potters, armorers, saddlers, blacksmiths, agriculturists.

When did this culture decline? With the influx of Arab slavers in the 7th Century. Mohammed and his Islamic slavers destroyed the regal Black Jewish empire and culture...*and you as a black man or black woman abandon your royal heritage and culture and convert to Islam!!!!!!*

Islam is not the black man's religion. It's for those of the Banu Hashim clan of the Quraysh tribe.

It was never the religion of the Negro nomads in Africa, exiled from the tribal kingdom of Judah.

Joel 3:6 Black Africans in collusion with the Ashkenazi! Africans were not selling their own people they were selling, in their view, the black regal, migrant, nomadic intruders.

Igbo tribe of Africa - Jewish.

- Look at the Slave Coast Map of 1736 – Guinea!
- W. Africa Map 1747 'Kingdom of Juda'
- 1747 Slave Coast Map – "Desert of Seth" - Seth was Adam and Chava's third son after the death of Abel!
- **Lk 3:38** (the genealogy of Yahusha from the tribe of Judah, **v.38 the son of Enosh, the son of Seth, the son of Adam, the son of Elohim...**
- By 1771 the map is redrawn by the same 1747 cartographer – no 'Kingdom of Juda.'

Israel is a multi-colored coat! True Jews- Shemites - Fellahim/Palestinians are lighter skinned, The True Jew's - regal merchant class are Negro.

How?

Migration and diet! As the Merchant class traveling to Africa and with 2000 years in central Africa brings an increase in Melanin and a change in diet - more vitamin D. Therefore one tribe many colors - Black African Jewry - The real Shemites! (Diet and environment).

- **The Jewish slave trade, it's roots in Bolshevism and its effect on the USA today, a brief history:** In Al-Andalus as Islamic Spain was called, there was a guild of

Ashkenazi-Khazar- Jewish slave traders in Constantinople the capital of the Ottoman Empire. The guild had about 2000 members. The slaves were provided by Tatar raids on Slavic villages.

- Until the late 18th century, the Crimean Khanate maintained a massive slave trade with the Ottoman Empire and the Middle East, exporting about 2 million slaves from Poland-Lithuania and Russia over the period 1500–1700.
- In 1862 at the height of the American Civil War, Union Army general (and later president of America) Ulysses Grant expelled all Jews from the Southern US States (the Confederacy) which were under his military control.
- *Why?* Because Ashkenazi-Khazar Jew's were engaged in so much slavery, black market smuggling and swindling activities that it was undermining the Confederacy's war effort!
- The irony: more black Americans have been lost to the Ashkenazi slavers - gangster rap and Beyonce' Luciferism than any other group.
- The irony: More African Americans have been lost to Islam in the 20th century than any other from the New Testament believing community! Islam the largest slavers of people of color in the world today! Saudi Arabia, Dubai, Somalia.....the list goes on.
- 11.5 of the 14 million blacks in America arrived here because they were enslaved by the Islamic slave trade.
- **Politics:** The irony: More African Americans have been lost to the Democratic party than any other group in the 20th century.

Blacks and Eugenics

- Progressive Democrats in the early 20th Century implemented Mandatory sterilization of blacks.
- Post-1970s Democrats have operated the highest concentration of Planned Parenthood and abortion clinics located in poor black neighborhoods - killing blacks!
- Republicans abolished slavery, Democrats supported it.
- Republicans gave blacks the vote, Democrats tried to keep it away.
- Republicans passed the 1964 Civil rights acts, Democrats opposed it.

- The first black Republican was elected to the U.S Senate in 1871.
- The first black Democrat was elected to the U.S Senate in 1999 - *128 years later!*
- The first 22 blacks elected to the U.S House were all Republicans.
- All civil rights legislation from 1865 to 1965 was passed over the objections of Democrats.
- Every civil rights initiative for that *100 year* period, from the Civil Rights Act of 1866 to the 13th, 14th and 15th Amendments to the Civil Rights Act of 1875, was proposed and passed by Republicans - 100 years of civil rights activism = Republicans - 100 years of civil rights obstruction=Democrats.
- Martin Luther King Jr. -a Christian and a Republican.
- Malcolm X - Republican.
- The Klu Klux Klan was formed after the Civil War was a military force serving the interest of the Democratic party, formed to fight against Lincoln's Republican party and freed slaves, freed slaves who were trying to vote and be voted into positions of Republican governmental influence.
- When Lyndon Johnson came to power, blacks, who traditionally voted 95 percent Republican, suddenly switched over to the Democrats," *"Why? Because now the Democrats were promising to give them all this free stuff, and it's a hard thing to get people to turn down free stuff."*
- *"I'll have those n**gers voting Democratic for the next 200 years."* – Lyndon B. Johnson confiding in two governors why the passage of his civil rights and welfare legislation was important (1963).
- **House slaves and Field slaves:** Field slaves lived dreadful lives of hard outdoor labor picking cotton or worse, they were always looking for the opportunity to escape.
- House slaves, on the other hand, wore their master's old clothes, received free meals – the leftover scraps from their master's table. When the field slaves would say, *"Let's run,"* the house slaves would say, *"Run where? Where are we going to get something better than this?"*

So it is with modern-day black liberal democrats - house slaves!
