

SCROLL 3 PART 1

Ez 24:1 The word of יהוה came to me in the tenth day of the tenth month of the ninth year saying: 2 “Son of man, record this date, this exact day—this very day the king of Babylon has laid siege to Jerusalem. 10/10/09.

The ninth year of King Jehoiachin’s captivity and the beginning of the end, the process of destruction was under way!

3 Utter a parable concerning the rebellious house (the house of Judah) Say to them, thus says יהוה Elohim:

יהוה’s going to use a cooking parable to detail the coming destruction; *it’s really rather brilliant* and intricately laid out on every point.

Jerusalem is the pot, the inhabitants are the meat, Nebuchadnezzar puts the pot on the fire!

We have a recipe for disaster in the kitchen.... from Capitol Hill to commerce.....

’Put on the pot, put it on and then pour water into it.

What happens when you pour a little water into your cooking pot?
It slows the whole process down. יהוה is going to make this a slow burn to wholesale slaughter.....

4 Gather the pieces into it, every good piece—thigh and shoulder. Fill it with the choice bones.

Judah’s rulers and leaders were flocking to the inner city to take refuge in the perceived safety.

5 Take the choicest of the flock...

It’s always the elite that will trample over all to find perceived safety.

....and pile the bones under it....

The bones represent the elite soldiers.....the elite will bring in the special forces only to protect the choice cuts!....

bring it to a rolling boil...

The fires of Jerusalem will be so intense!

so that its bones also seeth in it. 6 Therefore thus says יהוה Elohim: “Oy to the city of bloodshed, to the pot whose corrosion is in it, whose rust will not come off it!

Draw it out piece by piece—no lot would fall for it.

The exile wouldn't be quick and painless; יהוה would draw it out, 'different cuts' would be emptied out into exile stage by stage; first with Jehoiakim, then Jehoiachin and finally Zedekiah.

Usually an impending army would cast lots for the booty of a nation or city - but it was a free for all - full sale carnage and mayhem, a wholesale indiscriminate slaughter.

7 For her bloodshed is in her midst. She put it on the bare rock; she did not pour it upon the ground to cover it with dust. 8 So it stirs up wrath for taking vengeance. I have put her blood on the bare rock, that it may not be covered.”

A total desecration of YHWH's word from the top down; the leaders hunted down Zechariah the prophet as if he were wild game to be devoured; yet they were so wicked that even in their wickedness they desecrated the Word!

Lev 17:13“Any person from Bnei-Yisrael, or from the outsiders dwelling among them, who hunts as game any animal or bird that may be eaten, must drain its blood and cover it with dust.

When you parade your perversion in the open square.
They didn't even try to hide their atrocious acts!

The seething blood of Zechariah the prophet and priest that flowed 250 years before.

9 Therefore thus says יהוה Elohim: ‘Oy to the city of bloodshed! I will also make the pile great. 10 heaping on the wood, kindling the fire, boiling the meat well, and mixing in spices.

What happens when well cooked meat in a liquid becomes softer and softer - it begins to disintegrate into a jell like blob.

But let the bones be burned!11 I will set it empty upon the coals until it gets hot and its copper scorches, so its impurity will be melted, its corrosion consumed.

Keep the pot on the fire until even it's walls get scorched out and then all remnants of filth that try to scale its walls to escape will be totally burned too!

12 It has wearied toil, yet its thick rust will not come out of it. Into the fire with its corrosion!13 Because of your filthy obscenity, though I tried to purify you yet you were not made pure, you will never be cleansed from your filth until I have satisfied My fury on you.14 ו, יהוה have spoken—it is coming. I will do it, I will not let go, not pity, not relent—according to your ways and according to your deeds they will judge you.” It is a declaration of יהוה.

יהוה tried to cleanse them with the rebuke of His prophets, but they rejected them, so now they're immune to rebuke, they refuse to listen, so they'll never be cleansed - only judgment awaits.

Sadly, we live amongst a society that has rejected the bible, they've rejected the great ministers of the gospel; so now all awaits for a large segment of society that's gleefully proud of their sanctioned sin - *judgement!*

Ezekiel and his wife symbolized the relationship between יהוה and the Temple. Both were beloved and both would be destroyed through no fault of their own; but because the sins of others!

Eze 24:15 The word of יהוה came to me saying:16 “Son of man, behold, I am about to take away the desire of your eyes with a single blow. But do not lament, do not weep or allow any tears to flow.17 Sigh silently, do not observe mourning for the dead, keep your turban fastened, and keep your sandals on your feet. Do not cover your upper lip or eat the bread of mourners.”Eze 24:18 So I spoke to the people in the morning and my wife died in the evening. In the morning I did just as I was commanded. 19 The people said to me, “Won't you tell us what these things you are doing mean to us?” 20 Then I said to them, “The word of יהוה came to me saying, 21 speak to the house of Israel, thus says יהוה Elohim: ‘Behold, I will profane My Sanctuary, the pride of your might, the desire of your eyes and

the longing of your soul. Your sons and your daughters that you have left behind will fall by the sword.²² You will do just as I have done: you will not cover your upper lips or eat the bread of mourners.²³ Your turbans will remain on your heads and your shoes on your feet—you will not lament or weep. But you will pine away in your iniquities and groan to each other. : 24 Ezekiel will be a sign for you; just as he has done, you will do. When this comes, you will know that I am יהוה .’

Just say NO to the 9th of Av!

If we're following יהוה we don't mourn for the destruction of the Temple like rabbinic Judaism and many Hebrew Roots, it's a command!

What's really interesting is 'husband' אִישׁ, **Aleph-Yod-Shin 'iysh** and 'wife' אִשָּׁה, **Aleph, Shin, Heh 'ishshâh** both contain יהוה's name; the 'Yod' in 'iysh' and the 'Heh' in 'ishshah'.....meaning if a husband and wife build their marriage on יהוה His presence will dwell in the very mist of them!

Conversely, if they decide to let their marriage become a partnership in the world then יהוה's presence leaves the marriage - the 'Yod' and the 'Heh' and your left with אֵשׁ 'êsh - 'fire' in the marriage, a marriage where fires are constantly being kindled which eventually consume the marriage! And in a New Testament way; a temple gets destroyed.

“You, son of man, on the day when I take from them their stronghold, the joy of their glory, the desire of their eyes, the longing of their soul, as well as their sons and their daughters—²⁶ on that day a fugitive will come to you to tell you the news ²⁷ On that day your mouth will be opened to him who escaped. You will speak and no longer be mute. So you will be a sign for them, and they will know that I am יהוה.”

25:1 The word of יהוה came to me saying: 25:2 “Son of man, set your face toward the children of Ammon and prophesy against them. 3 Say to the children of Ammon—hear the word of יהוה, thus says יהוה Elohim —‘Because you said, “Aha!” against My Sanctuary when it was defiled, against the land of Israel when it was made desolate and against the house of Judah when they went into exile,

יהוה warns us then and now the character traits of the sons of Kedar; those nomadic tent dwellers, descendants of Ishmael and followers of the pre Islamic moon god Sin.

4 therefore behold, I will give you over to the children of the east as a possession. They will set up their camps among you and make their dwellings among you. They will eat your fruit and drink your milk.

The pre Islamic tent dwellers.

5 I will make Rabbah a grazing place for camels and the children of Ammon a resting place for flocks. Then you will know that I am יהוה.”

25:6 For thus says יהוה Elohim: “Because you have clapped your hands, stomped your feet and rejoiced with all the disdain of your soul against the land of Israel 7 therefore behold, I will stretch out My hand over you. I will deliver you as plunder for the nations. I will cut you off from the people. I will cause you to perish from among the countries. I will destroy you. Then you will know that I am יהוה.”

Eze 25:8 Thus says יהוה Elohim: “Because Moab and Seir say, ‘See, the house of Judah is like all the other nations!’9 therefore behold, I will expose the mountain slope of Moab with all its cities, from its frontier cities, the glorious country of Beth-jeshimoth, Baal-meon, and Kiriathaim.

10 I will deliver it, together with the children of Ammon, to the children of the east as a possession, so that the children of Ammon will not be remembered among the nations.11 Then I will execute judgments upon Moab. Then they will know that I am יהוה.”

12 Thus says יהוה Elohim: “Because Edom has taken severe vengeance against the house of Judah and has grievously offended by taking revenge upon them.

This harkens back to very words of the prophet Obadiah in 1:14, Edom standing in the crossroads and killing any who tried to escape!

If you don't think once either martial law or Sharia law hits the Islamized cities of Europe that the migrants won't be waiting for the Anglos and Europeans with

drawn butcher knives at the crossroads, then you're asleep when it comes to the demographic change in the landscape globally!

Europe is *Eurabia*, London - *Londinistan*, Tower Hamlets London - *The Islamic Republic of Tower Hamlets in E Londinistan*. London's choice for mayor says it all! The courts death blow to Tommy Robinson says it all...doesn't it?

British territories targeted for blanket Sharia rule by 2025!

13 therefore thus says יהוה Elohim: 'I will stretch out My hand upon Edom. I will cut off man and beast from it. I will make it desolate. From Teman to Dedan they will fall by the sword.

Eze 14 I will take My vengeance upon Edom by the hand of My people Israel. They will do in Edom according to My anger and according to My fury. They will know My vengeance.'” It is a declaration of יהוה.

15 Thus says יהוה Elohim: “Because the Philistines have acted in revenge and have taken severe vengeance with scornful soul, destroying in unending hatred.

16 therefore thus says Adonai Elohim: ‘Behold, I will stretch out My hand over the Philistines. I will cut off the Cherethites, and destroy the remnant of the seacoast.17 I will execute severe vengeance upon them with furious punishments. So they will know that I am יהוה, when I lay My vengeance upon them.’

יהוה is stretching out both hands.....pick one....one for blessing another for bitterness & barrenness.
