

Scroll 2, Part 4.

22:3 Then say, This says the Master vuvh, The city sheds dahm in the midst of it, that her time may come, and makes idols inside herself to defile herself.

When a nation, a city has idols inside herself, it means that the occult are central to its very precepts of government and administration and *is beyond redemption* and awaits *only* judgment.

Our Capital houses an iron cross (used by Hitler), the Star of David (used by the Rothschilds), an upside down (satanic) pentagram pointing to the White House, a pyramid with a huge owl sitting atop at the Capitol building.

4 You are become guilty in your dahm that you have shed; and have defiled yourself in your idols which you have made; and you have caused your days to draw near, and are come even to the end of your years: therefore have I made you a reproach to the gentiles, and a mocking to all countries.

“and are come even to the end of your years.” You’ve reached the limit of your years.

“And are come even to the end of your years.” You’ve reached the limit of your years. Moshe alluded to the number of years the nation would be allowed to remain in the land before the exile with the phrase: *“when you will have been long (in the land)”*; Deut 4:25 which in Hebrew has the numerical value for that phrase of 852.

So just as Deut 4:26 says, ***I call heaven and earth to witness against you this day, that ye shall soon utterly perish from off the land whereunto ye go over Jordan to possess it; ye shall not prolong your days upon it, but shall utterly be destroyed.***

The nation would perish from the land in 852 years; Solomon built the temple 440 years after Israel entered the land, it stood for 410 years (for a total of 850).

יהוה in His mercy exiled them two years before the prophetic deadline so there wouldn’t be total annihilation and remnant would be saved!

America has become a reproach to the other gentile nations and is mocked due **to our foreign policy and wars of attrition** upon other sovereign states.

- **The premise used for invading and occupying Iraq;** weapons of mass destruction.

.....Proven to be false! The United Nations former secretary general, Kofi Annan said that the invasion was not sanctioned by the UN security council or in accordance with the UN's founding charter.

And Saddam Hussein was executed not because of atrocities that he committed during the Iraq-Iran war, or any other atrocities he committed.

He was executed for standing up to Wall Street and standing up to the forces that are really ruling the world, the forces of money and power - the globalists.

- **The premise used for invading Afghanistan...**

The invasion of Afghanistan wasn't even authorized by the UN Security Council.

So why did we invade Afghanistan? Same reason as the British and the Russian for the past 300 years during the period called 'The Great Game'. Its strategic geographical position and later known mineral wealth.

UNOCAL's proposed pipeline, which would transport oil and natural gas from the Caspian Sea region to the Indian Ocean through Afghanistan and Pakistan; that's why!

V.10 on describes moral bankruptcy, the rooting decay of the family and human sexuality, the waterline marking the utter moral decline that can only bring about יהוה judgment to the nation.

13 See, therefore I have smitten My hand at your dishonest gain that you have made, and at your dahm which has been shed in the midst of you.

Ezekiel lists twenty-four sins which embody a nation in a death spiral, the one to take note of is V. 13 where robbery seals the decree of judgement.

Since 1910, no other nation in the history of the world has succumbed to such a clandestine and grievous robbery as the robbery afflicted upon the citizens of these United States.

Gen. 6:13 And יהוה said unto Noah, The end of all flesh is come before me; for the earth is filled with robbery חמס Hamas through them; and, behold, I will destroy them with the earth.

17 And the word of vuvh came to me, saying, **18** Ben-adam, Beit Yisrael has to Me become dross: all they are bronze, and tin, and iron, and lead, in the midst of a furnace; they have become the dross of silver. **19** Therefore this says the Master vuvh; Because you are all become dross, see, therefore I will gather you into the midst of Yahrushalayim. **20** As they gather silver, and bronze, and iron, and lead, and tin, into the midst of the furnace, to blow the fire upon it, to melt it; so will I gather you in My displeasure, and in My anger, I will leave you there to melt you. **21** Yes, I will gather you, and blow upon you in the fire of My anger, and you shall be melted in the midst of it. **22** As silver is melted in the midst of the furnace, so shall you be melted in the midst of it; and you shall know that I vuvh have poured out My anger upon you.

Ezekiel employs the smelting process as a parable for the devastation of Jerusalem.

Israel left Egypt as silver but the smelting process of the Wilderness and The Land made them less pure and they became as impure as dross circling the sink hole.

25 There is a conspiracy of her neviim in the midst of her, like a roaring lion seeking the prey; they have devoured beings; they have taken the treasures and precious things; they have made many widows in the midst of her.

How can you detect if your culture has been overcome by the voice of false prophets? False prophets prophesy in virtually the same words proving that they're false because it shows that they collaborated in composing their messages.

26 Her Kohanim have violated My Torah, and have profaned My kadosh things: they have put no difference between the kadosh and profane, neither have they shown any difference between the unclean and the clean, and have hid their eyes from My Shabbats, and I am profaned among them. **27** Her leaders in the midst of it are like wolves seeking the prey, to shed dahm, and to destroy beings, to get dishonest gain. **28** And her neviim have coated their evil with whitewash, seeing vanity, and

divining lies to them, saying, This says the Master vuvh, when vuvh has not spoken.

23:1 The word of vuvh came again to me, saying, 2 Ben-adam, there were two women, the daughters of one eema: 3 And they committed whoring in Mizrayim; they committed whoring in their youth: there were their breasts pressed, and there their virgin nipples were squeezed. 4 And their names were Oholah the elder, and Oholiabah her sister: and they were Mine, and they bore sons and daughters.

Two sisters - Ephraim and Judah, both names come from 'Ohel' 'tent.' Judah is called 'Oholiabah', 'My tent is within her' - because the temple is within Jerusalem.

Yet Egypt where they were enslaved lay dormant like a cancer that had been in remission and then flared up!

The Northern Kingdom is called 'Oholah', 'Her Tent' because its very inception was rooted in rebellion against יהוה they preferred their own tent than YHWH's.

"Daughters of one mother:" The two Kingdoms were both from the same parents; Abraham and Sarah, but they didn't act like their parents.

'Oholah' is the larger one: the Ten Tribes. 'Ohalah' gets her name because she tried to mimic the 'Ohel' the tabernacle in Shiloh.

What follows is a parable of promiscuity:

Although she learned adulterous practices from the Assyrian, she didn't abandon what she'd learnt from the Egyptians. The Egyptians had shown Israel affection, enticed her with idols when she was still a virgin.

9 Therefore I have delivered her into the hands of her lovers, into the hands of the Ashurim, for whom she lusted. 10 They uncovered her nakedness: they took her sons and her daughters, and killed her with the sword: and she became famous among women; for they had executed their desired judgments upon her.

11 And when her sister Ochaliva saw this, she was more corrupt in her perverted ahava than she, and in her whoring more than her sister in her whoring. 12 She also lusted upon the Ashurim her neighbors; captains and

rulers clothed most gorgeously, horsemen riding upon horses, all of them desirable young men.

17 And the Babylonians came to her into the bed of ahava, and they defiled her with their whoring, and she was defiled with them, and her being was alienated from them in disgust.

This happened according to 2nd Kings 20 and Isaiah 39 after King Hezekiah recovered from an illness that almost took his life.

V. 17 and her being was alienated from them in disgust.

יָקַע yâqa' refers 'to a moving away':

Gen 32:26 (Jacob wrestling with the angel of יהוה and gaining the blessing and the rise of Israel) **And he said, Let me go, for the day breaketh. And he said, I will not let thee go, except thou bless me.**

20 In Mitzrayim she lusted after her lovers, whose flesh is as the flesh of donkeys, and whose emission is like the emission of horses. 21 This you remembered and called for the lewdness of your youth, in squeezing your nipples by the Mitzrim when they squeezed the breasts of your youth.

22 Therefore, O Ochaliva, this says the Master vuvh; See, I will raise up your lovers against you, from whom your being is now alienated, and I will bring them against you on every side; 23 The Babylonians, and all the Chaldeans, Pechod, and Shoa, and Qoa, and all the Ashurim with them: all of them desirable young men, captains and rulers, great masters famous ones, all of them riding upon horses. 24 And they shall come against you with mirkavot, wagons, and wheels, and with a congregation of peoples, which shall set against you armor and shield and helmet all around: and I will hand over your mishpat to them,

V.24 and they shall judge you according to their own laws. (laws that are more cruel than mine....man will live by law....why not YHWH's light and easy yoke? You adored those laws....its now fitting that you be punished according to those same laws.)

25 And I will set My jealousy against you, and they shall deal furiously with you: they shall take away your nose and your ears; and your remnant shall

fall by the sword: (The Babylonian's punished unfaithful wives by mutilating their faces...this of course is a metaphor for Jerusalem's monarchy and High Priesthood.)

V.31 therefore will I give her cup into your hand.32 This says the Master vuvh; You shall drink of your sister's cup deep and large: you shall be laughed to scorn and had in derision; it contains much mishpat. 33 You shall be filled with drunkenness and sorrow, with the cup of astonishment and desolation, with the cup of your sister Shomron. 34 You shall even drink it and drain it out, and you shall break the sherds of it, and tear out your own breasts: for I have spoken it, says the Master vuvh.

V. 31 is just as 'the wine of the wrath of Yah that is poured out full strength into the cup of His indignation. In our days ready for the same as those who fall for the temple mount deception and worship the beast (Rev 14:10).

"Mystery Babylon The Great The Mother Of All Harlots And Of The Abominations Of The Earth". Rev 17. Just as Israel lusted after Babylon's garments of splendor we find ourselves in world where the nations lust after Mystery Babylon's garments of splendor.

"Come out of her my people lest you share in her sins and partake of her sins...in the cup which she has mixed, mix double for her.....death mourning and famine ...her end like unto Jerusalem...burning with fire" The Fall of Babylon the Great. Rev 18.

What a metaphor for Jerusalem, '*tear our your own breasts.*' Jerusalem was to be a mother to her children in Judah sustaining them with physical and spiritual milk, and as a result of the destruction they'll be torn off and she'll no longer be able to nature her children.

V.35 to the end of the scroll depicts how Israel and Judah hired and adorned themselves for lovers, Egypt, Ammon and Moab, just like a whore; instead of looking to יהוה for their protection.

35 Therefore this says the Master vuvh; Because you have forgotten Me, and cast Me behind your back, therefore you will also bear your lewdness and your whoring without Me. 36 vuvh said moreover to me; Ben-adam, will you judge Ochala and Ochaliva? Yes, declare to them their abominations; 37 That they have committed adultery, and dahm

is in their hands, and with their idols have they committed adultery, and have also caused their sons, whom they bore for Me, to pass through the fire, to devour them. 38 Moreover this they have done to Me: they have defiled My Kadosh-Place on the same day, and have profaned My Shabbats. 39 For when they had slain their children to their idols, then they came the very same day into My Kadosh-Place to profane it; and, see, this have they done in the midst of My Bayit. 40 And furthermore, both of you have sent for men to come from far, for whom a messenger was sent; and, see, they came to you: the ones for whom you did wash yourself, and painted your eyes, and adorned yourself with ornaments, 41 And sat upon a splendid couch, with a shulchan prepared in front of it, on which you have set My incense and My oil. 42 And the sound of a crowd being at ease was with her: and with the men of the common sort were brought drunkards from the wilderness, who put bracelets upon their hands, and beautiful crowns upon their heads. 43 Then I said to her that was worn out by adulteries, Will they now commit whoring with her, and she with them? 44 Yet they still went in to her, as they go in to a woman that plays the harlot: so went they in to Ochala and to Ochaliva, the lewd women. 45 And the tzadik men, they shall judge them after the manner of adulteresses, and after the manner of women that shed dahm; because they are adulteresses, and dahm is in their hands. 46 For this says the Master vuvh; I will bring up a company upon them, and will give them to be taken away and plundered. 47 And the company shall stone them with stones, and dispatch them with their swords; they shall slay their sons and their daughters, and burn up their houses with fire. 48 In this manner will I cause lewdness to cease out of the land, that all remaining women in Yisrael may be taught not to do after your lewdness. 49 And they shall repay your lewdness upon you, and you shall bear the sins of your idols: and you shall know that I am the Master vuvh.
