

## Dead Sea Scrolls Discord

Today I want to expose some stuff about the DSS, the Essenes, Robert Eisenman-where most get their erroneous information-like I once did

*The truth is* The Essenes were gnostic illuminati masons. Eisenman has been embraced by these groups....they end up making a bastardized mess of the Melchizedik by hybridizing it with Qumran.....

You see I've discovered that the Qumran sect secreted away "*The Habakkuk Commentary*" — the Book of Habakkuk with a verse-by-verse misinterpretation of two chapters of the prophecy. An abysmal misinterpretation!

In fact there is so much nonsense out there one being that Paul/Saul is the "plague of death" prophesied in Habakkuk 2.

**1 Jn 2:19 They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made manifest that they were not all of us.**

Like the Galatians; initially the sect... **were running well but who hindered them from obeying the truth? Gal 5:7.**

**to Watch yourselves, so that you may not lose what you have worked for, but may win a full reward. 2 Jn 1:8.**

**threw away their Messianic confidence, which would have had it's great reward** in Yahusha. Heb 10.35

**2 TIM 3:1 This know also, that in the last days perilous times shall come.....men will creep in having a form of godliness, but denying the power thereof: from such turn away.6 For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts,7 Ever learning, and never able to come to the knowledge of the truth. Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith.9 But they shall proceed no further: for their folly shall be manifest unto all men, as theirs also was.**

It's a matter of fact that the DSS are *NOT VITAL* to the understanding of our faith in Messiah Yahusha!

**2 Pet 2:1 there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Moshiach that bought them, and bring upon themselves swift destruction.**

The Qumran sect *didn't even preserve* the MSS with that great a care! The copies of the Hebrew Old Testament which they possessed in the "*Isaiah Scroll*," for example, are full of minor spelling changes and misplaced words, changes that represent the carelessness of unofficial scribes who copied *on leather!*

The copy of Isaiah we have in our bibles is far more grammatically accurate than this '*goats herd*' unofficial copy of Isaiah made over 2000 years ago.

This is the same sect that penned "*The War of the Sons of Light with the Sons of Darkness*" containing uninspired Jewish apocalyptic fables.

**Tit 1:14 Not giving heed to Jewish fables, and commandments of men, that turn from the truth.**

**Eph 4:14 children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive.**

If Robert Eisenman a leading researcher in the DSS is *spouting lies* like Paul of the New Testament is the "Spouter of Lies" mentioned in the Dead Sea Scrolls;

....and at the same time that Paul is who Josephus calls '*Saul whose kinsman is Costobarus*' who disappears after being interrogated by Nero in Corinth.....

.....and *James the Just* is the Messiah like figure "*the teacher of righteousness*"

**3.15 our beloved brother Paul also according to the wisdom given unto him hath written unto you; As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as they do also the other scriptures, unto their own destruction.**

These DSS theories also assume that Luke is a conniving, manipulative liar when he discusses the life of Paul.

Falling for these *pseudo intellectual speculative theories* would require us to believe that Luke is making up the entire story of Paul, which is a rather *ludicrous*

proposal to make, given that we have quotes from Luke and Acts in the late first century that PROOVE otherwise!

departing from the inspired scripture and going headlong into *an intellectual vacuum of DSS speculative theory* following others down Eisenman's slippery slope!

***Rom 16:17 Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them.***

***gather from the nations: know at the same time יהוה is separating one from another, as a shepherd divideth his sheep from the goats. Matt 25:32.***
