

**Rev 18:1 And after these things I saw another heavenly malach come down from the shamayim, having great power; and the olam was lit with his tifereth. 2 And he cried mightily with a strong voice, saying, Bavel the great has fallen, 20 has fallen and has become the dwelling of shedim, and the haunt of every foul ruach, and a cage of every unclean and hateful bird.**

**For all nations have drunk of the wine of the wrath of her fornication and the melechim of the olam have committed fornication with her and the merchants of the olam have grown rich through the abundance of her delicacies.**

**Jer. 51:37 And Babylon shall become heaps, a dwellingplace for dragons, an astonishment, and an hissing, without an inhabitant.....39 sleep a perpetual sleep, and not wake, saith yhwh .....62 it shall be desolate for ever.**

Ancient Babylon of Jeremiah's day is the City weaved in the tales of historical folklore: Atlantis.....**Jer 51:52 The sea is come up upon Babylon: she is covered with the multitude of the waves thereof.....64Thus shall Babylon sink, and shall not rise from the evil that I will bring upon her.**

Jer. 52 Babylon historically has been judged.

1 Pet 5:13 The assembly *that is* at Babylon, elected together with *you*, saluteth you; and *so doth* Marcus my son.

Ch. 18 is really dealing with a worldwide problem because Babylon here is going back to biblical inception point where we have a one world system in rebellion to יהוה lead by a modern manifestation of Nimrod where there is gonna be Babel event 2020.

.....whose name in the Hebrew tongue *is* Abaddon, but in Greek his name *is* Apollyon, Al MUMIT in Arabic-the 62nd name of Allah.

The letter C as in COVID is alphanumerically 3. Abaddon is Strongs # 3, you know the destroyer, the angel from the bottomless pit!

COVID 19 morphs into **C**/certification **O**/of **V**/vaccination **ID**.

OVID = latin for Sheep OVI

Strongs #19 = death/slaughter.

COVID 19 means C = Al Mammut/Abaddon the angel from the bottomless pit;  
OVID = sheep, 19 = to the slaughter.

***4 And I heard another voice from the shamayim, saying, Come out of her, My people-Ami. 1 2 that you be not partakers of her sins, so that you receive not of her plagues. 5 For her sins have reached to the shamayim, and vuvh has remembered her iniquities.***

This is the final phase of world government.

Wanting to get noticed for virtue signaling rather than being known for biblical beliefs found amongst the pages of Leviticus and Romans?

***8 Therefore shall her plagues come in one day, death and mourning and famine; and she shall be utterly burned with fire: for strong is the Master vuvh-tvkt who judges her. 9 And the melechim of the olam, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, 10 Standing far off for the fear of her torment, saying, Oy, vey, that great city Bavel, that mighty city! Inner confusion breeds inner turmoil and often times manifests itself into outward violence.....Babylon is falling.....*there's nothing new under the sun:*

***Jer. 51:30 her mighty men of Babylon have forborn to fight, they have remained in their holds; their might hath failed; they became as women; they have burned her dwelling places; her bars are broken.***

- *Forborn* - חָדַל *châdal* means to be *flabby*.
- *Remained in their holds* is modern parlance for stayed at home in mom's basement i.e as unemployed.
- *Became as women* i.e transgender, transvestite and
- *Burned her dwelling place* is setting odds and sods on fire.....what our politician's call peaceful protests!

So history teaches us as with ancient Babylon; the sign of a society's impending doom and destruction is when flabby, unemployed men become as women and start rioting and setting shit on fire to the applause of society in general.

And if you disagree with this kind of violent behavior you are a racist, Nazi, pig or any other ignorant name they can come up with so they avoid social dialogue that expose their insanity.

יהוה, the prophets and the apostles, our Savior and the bible makes it very cut and dry.....the problem is that our hipster believers aren't believers in the fore-mentioned at all... ***1 Tim 6:5 they entertain perverse disputings of men of corrupt minds on Sundays, men destitute of the truth, supposing that gain is godliness: from such withdraw thyself.***

**17 For in one hour so great riches have come to nothing. And every ship captain and all the passengers and sailors and as many as trade by sea, stood far off, 18 And cried when they saw the smoke of her burning, saying, What city is like this great city!**

The laws are being conspired against and freedoms deprived to support Wu Flu tyranny, every ship captain/the judges and all the passengers/general populous and the sailors/lawyers that trade in the courts will stand afar off from you who assert your religious freedoms.....

it's our faith and freedom of religion that will push us out of Babylon and the lawless ones coloring law will stay in its burning to the very end! they will go down in their maritime laws whilst the law of יהוה that is pure converting the soul will set us free from tyranny!

Interesting to note back in **Jere. 51:1 Thus saith יהוה ; Behold, I will raise up against Babylon, and against them that dwell in the midst of them that rise up against me, a destroying wind.**

The bible declares the east wind as the destroying wind from Josephs dreams all the way through the prophets and psalms to Job. The east wind originates in the Ishmael's land, the land of Faran/Paran-Medina and Mecca it's an Ishmaelite storm cloud - Islamic in origin that blows westward to topple Western Civilization.

The very same Desert of Paran mentioned in Genesis 21:21, the site where Ishmael settled was Mecca.Yaqut al-Hamawi, Fārān "an arabized Hebrew word.

So Mecca's beginning are attributed to Ishmael's descendants.

The Psalms speak of a place where pilgrims would ascend on their way to the temple area in Jerusalem.... they would travel from Mecca/Ishmael's land to the feasts of יהוה.

**Psalm 84:4 Blessed are they that dwell in thy house: they will be still praising thee. Selah. 5 Blessed is the man whose strength is in thee; in whose heart are the ways of them. 6 Who passing through the valley of Baca make it a well; the rain also filleth the pools.**

*"The Valley of Baca"*, referring to the mentioning of Mecca as Bakkah as in Qur'an Surah 3:96 where Hagar and Ishmael settled.

The Greek historian Diodorus Siculus who lived between 60 BCE and 30 BCE writes about the isolated region of Arabia in his work *Bibliotheca historica* describing a pagan holy shrine - the Kaaba at Mecca *"And a temple has been set up there, which is very holy and exceedingly revered by all Arabians"*.

Ptolemy called the city *"Macoraba"*

Mecca was also mentioned in the Samaritan literature, in the book *The Asatir: The Samaritan Book of the "Secrets of Moses"* by Moses Gaster which claimed that Mecca was built by Ishmael and his eldest son Nebaioth.

An inscription on the foundation of the Kaba reads, "I am Allah, the Lord of Bakka. I created it on the day I created heaven and earth and formed the sun and the moon, and I surrounded it with seven pious angels. It will stand while its two mountains stand, a blessing to its people with milk and water."

So the seven mountains could even be seven demonic angels!

The name Bakkah is woven into the kiswa, the cloth covering the Kaaba that is replaced each year before the Hajj.

***19 And they cast dust on their heads, and cried, weeping and wailing, saying, Oy, vey that great city, in which all that had ships in the sea were made rich because of her wealth! In Jer. 51:58 it says of Babylon: ***Thus saith יהוה of hosts; The broad walls of Babylon shall be utterly broken, and her high gates shall be burned with fire; and the people shall labour in vain, and the folk in the fire, and they shall be weary.***
