

Mystery Babylon in the News!

Shuv - שׁוּב Shin, Vav, Bet. repent, return.

A Wheel! A return, a cycle, round & around!

Ezek 1:15 one wheel was upon the earth; V.16 The appearance of the wheels and their works was like the color of beryl..... as it were a wheel in the middle of a wheel; V.19 the wheels went beside the living creatures; V. 20 the wheels were lifted together with them....

Js. 3:V.6 'And the tongue is a fire: the world of iniquity among our members is the tongue, which defileth the whole body, and setteth on fire the wheel of genesis, and is set on fire by hell.'

Sets on fire the course of our Israelite race that rolls on like a wheel.'
'Ton trochon te's genesis.'

The tongue - communication, communication devices, what's disseminated to the population, what they internalize and accept could defile their whole body and setteth on fire any hopes they have of retuning to Eden.

The Great Reset is intent on destroying our return to the Genesis cycle of creation as we know it that rolled out from the beginning like a wheel. Satan is intent on setting aflame the human race form ever retuning to Genesis-Eden.

James 3:6 'The tongue set on fire the genesis cycle of our Yisraelite race that rolled out like a wheel; and it burnt on with the fire of hell.'

Wheels, cycles, fires.

Heb:ôphân אֶפֶן Aleph-Pey-Nun

Gk: *trochos*

Torot of first mention: ***Exo. 14:24 And he took off their chariot wheels, and they drove them heavily; so that the Egyptians said, Let us flee from the face of Israel; for יהוה fighteth for them against the Egyptians.***

A chariot wheel has a smaller wheel within an outer wheel, the smaller wheel drives the outer wheel. *ophan, alef, pey, nun.*

The Pictograph = *the ability/power to perpetuate his commands.*

- *ability-Aleph*

- *perpetrate/life/Nun*
- *commands/Pey*

Exo 14:24 wheels; יהוה took off their chariot wheels: יהוה was ruining their cycles, יהוה ruined the enemies cycles.

The Great Reset is about to happen as Satan attempts to get revenge against the יהוה and the woman. The Great Reset is Satans last attempt at ruining יהוה's cycles - the converse of Exo 14:24.

Proverbs 25:11: A word fitly spoken is like apples of gold in network of silver.

Gk *trachon-wheel of genesis*, fitly-spoken upon His wheels, His cycles.

YHWH's cycles are based upon His Word - words fitly spoken - unequivocal truth!

Satan's Great Reset - is a cycle based upon a lying tongue, propaganda.

Paths = cycles: ***Ps 17:4 As for the works of men, by the word of thy lips I have kept me from the paths of the destroyer.***

A chaotic path to the cycles of the destroyer a rollercoaster track or cycle *agol/cycles - to wear down* - Satan's cycles wear you down. יהוה cycles create good habits (ruts)

Prov: 2:15 Who are crooked in their ways, And wayward in their paths: (paths-agol-cycles)

Watching as the world is led into the way of the **shammâh - astonishment** , **mâshâl - proverb**, **shenîynâh - byword.** (Deut 28.37)

1. Identifying what it is.
2. Identifying when it will become.
3. Identifying how we can become the kings and priests ruling separately from the new world order of this shammâh, mâshâl, shenîynâh.

We are trending towards totalitarianism, captured, controlled and centrally planed vs. free, open and competitive.

Centrally planned and controlled vs. a decentralized system and cycles.

A society that exercises an extremely high degree of control over both public and private life.

Triggers for totalitarianism, how does the state amass power and control:

1. fear/safety
2. oppression/fairness
3. terrorism/patriot act
4. virus/lockdowns
5. climate/energy

Come out of her my people, that ye have no fellowship with her sins, and that ye receive not of her plagues.

These plagues are HERS, they're not natural, they're a consequence of fellowship/acquiescence to her sins.

Climate lockdown:

1. limit private vehicle use
2. ban consumption of red meat
3. impose extreme energy saving measures
4. fossil fuel companies will have to stop drilling

Totalitarianism

1. requires rigid controls on personal freedom
2. industry and corporate funding will be nixed to those companies that don't comply.
3. severely constrained choice, more inconvenience, more poverty.
4. Assets will be stranded, combustion engines - unsaleable, insufficient properties - un-rentable, your real estate that you did not keep up to their new codes - unsaleable - a stranded asset class to which totalitarianism holds the key.

Shammâh, mâshâl, shenîynâh.

1. Identifying what it is.
2. Identifying when it will become.
3. Identifying how we can become the kings and priests ruling separate from the new world order of this shammâh, mâshâl, shenîy-nâh.

Deut 28:36 יהוה will bring thee, and thy king whom thou shalt set over thee, unto a nation that thou hast not known, thou nor thy fathers; and there shalt thou serve other Elohim, wood and stone.

Deu 28:37 And thou shalt become an astonishment, a proverb, and a byword, among all the peoples whither יהוה shall lead thee away.

v.37. ה·מ·ש shammâh - AN ASTONISHMENT - desolate, wasteland. SHIN-MEM = The breath of a man is the heart of the matter at hand - which is that of what? A desolate, wasteland!

It's something that makes one what he is. It becomes an identifier, a descriptive of his character or breath - the dividing line.

In Hebrew thought it's a sweet aroma that's carried on the wind or breath. But in Deut. 28.37 its a desolation that comes on the wind of breath.

The ancient Hebrew describes the ה·מ·ש shammâh as a wind blowing over the land that **pulls the moisture out of the ground drying it up**, making a place of ruin or desert. Meaning manufactured drought and energy shortages.

ל מ·ש·מ mâshâl - MEM-SHIN-LAMED - A PROVERB, society has become the parable, the metaphor! What was once just a metaphor becomes reality.

ל מ·ש·מ mâshâl - **Dominion**: The dominion one rules over, a rule of measurement, often a proverb or parable. a story of comparisons.

ה·נ·ש shenîynâh - - **SHIN**=Sharp Teeth, **NUN**=to sleep, **SHIN-NUN-YOD**=scarlet or crimson, as in the color of bloody gums, **SHIN, NUN, NUN SOFEET**=sharpen, pricken. Where you become a piercing taunted one, who exchanged one form for another form.

Three cycles and revolutions converging right now.

1. Political, social and cultural.
2. Tech
3. Financial

28 x 3 = 84 x 3 = 252, convergence and amplification. WHEEL WITHIN A WHEEL WITHIN A WHEEL (roughly 3X20 year cycles, 3x80 year cycles, 3x250year cycles).

80 year cycles: 1848 (two cycles ago) populist uprising (1)

- Marx wrote - Communist Manifesto
- Springtime of the People revolution (1848) in Europe

Next 80 cycle: 1930's - regime change

- WWII
- Hitler and Mussolini
- FDR - New Deal (a contract) 1933
- EMC declarations in first 100 days (Biden's following suit)
- Social and economic engineering
- regime change

Next 80 year cycle: Present.

- Brexit
- Trump
- Yellow Jackets
- Antifa/BLM

Populist uprising:

- pre pandemic - 10 countries with 1 mill people uprising in each

Collectivism (*we're all in this together*) vs. Individualism cycles 80 year:

Centralization vs. decentralization

- 1783 US won Revolutionary War and Constitution
- 1789 French Rev
- 1863 Gettysburg Address (all men created equal)
- 1943 Hitler, Stalin, UN, IMF, Bretton Woods (one world currency, peak globalization, peak centralization)
- 2023 World Economic Forum (great reset), World Health Organization, World Trade Organization

pendulum swings to decentralization:

- 1823 Pres. James Munroe "*US not subject to European powers*"
- 1903 Teddy Roosevelt: "*speak softly, carry a big stick*"
- 1983 Reagan "*tear down this wall*"

Generational iniquity vs. generational shift

4 x 20 year generational cycles (20years/28year cycle)

Crisis/hard times - creates
strong men (1 generation
WWII)
>>

- a high/good times
- an awakening
- an unraveling
- a crisis - hard times

Weak men don't
work or produce they
live off the past. Deny
natural law - the law
of the harvest/the law
of the ant Prov.6.6.
you must sow before
you harvest - produce
before consumption
>>

strong men create a high/
good times (2nd gen. of
entrepreneurs. massive
wealth)
>>

Good times create weak men (1st
gen. living off of the wealth of the
past)
<<

It's called the four turnings, we're in the fourth turning, our government, educational and banking systems are run by weak men - about to hit a crisis!

A catalyst from 4th turning to the 1st. 911, 2008, 2020

252 year revolution cycle (250 years)

- 8 cycles on the fate of empires
- 1. outburst (1776 - 250 years ago)
- 2. conquest (1808)
- 3. commerce (1812)
- 4. affluence (1890's onward)
- 5. intellect (20th cent)
- 6. decadence (20's/60's)
- 7. decline (moral started in 60's/70's)

8. collapse (started in 2008 stalled only because they took your money to bail out the banks - /2020-2023 NOW!

Previous two 252 year cycles:

- Protestant Reformation 1517
- End of globalism/centralization (Roman Catholic Church operating with governments)
- Moved into a independent relationship with יהוה - Protestants reading the bible for themselves leaving centralized control and moved into decentralized faith and religion!
- Creation of printing press 77 years earlier (RCC could no longer keep a lid on the information. Today with the internet; the state controlled media cannot keep a lid on the information either)
- fast forward 250 years - 1776 declaration of independence - rejection of centralized monarchy - centralized control, also Industrial Revolution
- fast forward 250 years - today - a revolution is coming - against centralization and globalization, a drive toward decentralization and popularism
- wheel - wheel - wheel
